

## **Island Member Services Report to 2018 AGM\_ Rob Fehr**

**We gained a few new or returning officials this year. Unfortunately, at best, this only kept pace with those who retired or were not able to be on the field for the entire season. Many of the newer and younger officials put in considerable effort to develop as officials.**

**I and others appreciated the efforts to use technology to allow us to participate in clinics and sessions based in the lower mainland. I look forward to us making further strides in this area.**

**Thanks to Chris Shortt who hosted and led some local training and development sessions.**

**Thank you to Mike Gatto for another year of service as island allocator. He successfully navigated through some allocation challenges.**

**Thank you to my colleagues on the Board. We made progress in a number of areas this year. We also had to face some unexpected and tragic events. Rob will be deeply missed. Thank you to those who have taken on additional responsibilities over the last few weeks. I look forward to working with you in 2019.**

**Have a Merry Christmas and relaxing off-season as you patiently anticipate the 2019 season.**
