

## Interior Allocators Report 2016

### Director Member Services Interior

2016 proved to have a lot of challenges especially in the High School and JV schedules. With countless changes and cancellations it seemed there was a new schedule out weekly.

My sincerest Thanks to Gord Hoffman, who took over the onerous task of editing the master schedule in arbiter everytime there were changes to be made, and making sure I knew what he had done and ensuring the games would be covered. I also owe him a great big Thank You for covering the allocations from the start of the season to the middle of October when I was away.

This year, I finally got the message through to our Interior members how to use arbiter. Go in and block your away days. And if you have to cancel or turn down an assignment, use the comments section to at least let me know why you can't accept the game.

Between Gord Hoffman and myself we managed to allocate all the Minor, JV and High School games in Kamloops, Kelowna, Vernon and Salmon Arm.

My Thanks to all of the Interior Officials for the great work they did this year, despite the man cancellations and last minute changes.

As always, we are trying to recruit new officials throughout the Interior, as the main group is getting up in age, and we need some new younger members to get involved.

Merry Christmas and Happy New Year.

Allan Milton
