

## Vice President High School Report to 2018 AGM Frank Roberto

I'd like to begin by thanking all of our executive members for their hard work and commitment to this association considering many of us transitioned into a new role. Our President, Nigel Bushe, has represented us proudly with his leadership and dedication at the Provincial and Canadian Levels. Sandy Bains, Canadian Vice-President with his willingness to tackle on tasks and issues that have come his way. Drew Parkinson, Member Services for his supporting ways to his fellow members, Gordon Masi we are grateful he stepped up to take on the role as Treasurer as of July 1<sup>st</sup>. We have appreciated the countless hours that Gordon has put in to ensure that we are in a strong financial place.

Special thank you to Craig Nichols who has moved to Alberta but is always helpful and supportive when called upon. (Trust me we have called upon him a number of times!)

Walter Becker, High School Allocator once again masterfully allocated close to 300 games with 175 changes. Outstanding work Walter!!

Len DeJulius, Educational Co-Ordinator along with Lee Brien provided engaging and informative educational sessions to our membership which had members across the province listening to our new web conferencing program JOINME. Well done Gentlemen!

Thank you to Tim Lederman who promptly posted information and photos on our website.

Robert Kozak provided us with his wisdom and institutional knowledge with his years of experience and did an outstanding job in his secretarial role. As you are all aware Robert passed away on December 1<sup>st</sup>, 2018. He was a valued member of this association and his legacy will continue. Hopefully as an association we can think of some way to honour Robert next season.
