

# Secretary Report 2017

Fellow officials,

Here is a listing of the events over 2017:

## Jerseys

- a) Orders for the new CFL style jerseys January, February and March
- b) Costs greatly reduced for our members
- c) Orders finalized by mid-march. Trial size box disappeared
- d) Orders delivered to me by April. 180 total
- e) Time need to sort out and correct jerseys(numbering and size issues)
- f) Corrected jerseys now distributed – May and June (Interior, Van Island and Lower Mainland
- g) Final jerseys that were not picked up – sent by courier or mailed – July late orders
- h) Totally exhausted!

The job of secretary never ends until year end. Many postings from executive members all have importance to the membership. The website is a very useful tool but must be consulted too! I thank the BCFOA executive for their continuing support and wish good luck to our members not returning. Thanks for your service.
